

Donna and Pete on a cold, rainy, windy day in Galveston.

Ralph Baker and myself got a \$100 gift certificate and certificate of appreciation from the Lone Star Art Guild.

Cats in the sun!

I call this photo of my cats "On Duty". Cute, Huh?

I am including a couple of pictures of us we took out on the Flagship Inn's long wharf. It was REALLY windy! It was great to have them down, though, and we had a good time. Judy Beard went with us and helped me navigate around Galveston.

Anyway, that was my year! Not a particularly good one, but I really learned what good friends I have.

Computer cats!

**Merry Christmas!**
